All smoothies are 24 oz and made with turbinado sugar unless otherwise requested, with the exception of the Triple Berry Oat, which is made with Splenda®, and the Detox Island Green, which contains only natural sugars present in whole fruits and vegetables. Splenda® can be substituted for turbinado sugar, but all smoothies will contain sugar derived from fruit and other ingredients and are not sugar-free. Coconut, cranberry, kiwi, lime, pomegranate, and orange juice flavors are from concentrate. Nutritional information is based on the calculation when using the correct portioning of Tropical Smoothie Cafe's standard recipes. Because our smoothies can be customized, exact information may vary. For any additional information, please call 770-821-1900.

The nutritional information seen here was prepared by MenuTrinfo®, LLC and is based on standard serving sizes and product formulations prepared with approved ingredients. The nutritional data presented is based on representative values from the USDA National Nutrient Database for Standard Reference and information from product manufacturers. Variation may occur due to the handcrafted nature of our menu items or due to seasonal influences and/or sources of supply of our ingredients. Additionally, formulations may change on occasion, or the substitution of ingredients or suppliers may be necessary that will alter the nutritional values. A 2,000-calorie daily diet is used as the basis for general nutrition advice; however, individual calorie needs may vary for adults and children as well as for age, gender, and fitness level.

All ingredients listed as gluten-friendly were verified as gluten-free by MenuTrinfo®, LLC at the time this list was created. Menu items designated as "Vegetarian" are meant to be used as a guideline. Ingredients may change or be substituted, and while we make best efforts to review on an ongoing basis, items listed may not always necessarily be items served. In addition, ingredients or production methods used by our suppliers may change, or there may be product differences among regional suppliers. Tropical Smoothie Cafe is not responsible for substitutions of or changes to ingredients or production methods by our manufacturers or product differences among regional suppliers. Also, normal kitchen operations, which involve shared cooking and preparation areas, as well as vendor production methods, may present cross-contact opportunities. Therefore, we cannot guarantee that any menu item is vegetarian* or free from gluten or any other allergen. Please consult with a healthcare professional about any food allergies, food sensitivities, or dietary restrictions.
